

Mohamad Sabouneh

Cofounder & Managing Partner
Moodfit - Online Interior Design

Mohamad has digital startups experience from both the investment and operational perspectives. The former as Associate at Middle East Venture Partners (MEVP), the largest private VC fund in the MENA region, and the later as cofounder of Moodfit, the first online interior design platform in the MENA. His startup Moodfit was selected by Forbes as one of the top 50 startups to watch in the Arab World.

His experience ranges from initial concept validation, business development, fundraising, business planning, financial modelling and strategy consulting.

Additionally, Mohamad advises several digital startups in the region independently and as part of regional startup accelerators. Mohamad also has 3 years of experience in project and construction management in the GCC and North Africa.

Mohamad holds a Masters in Mechanical Engineering from the Lebanese University, and an MBA from the American University of Beirut (AUB).
