

## Nissrine Elqobai

Senior Division Manager, Supply Chain  
Chalhoub

Offering 20 years of progressive success in international experiences, and expert leadership in cost-effective supply chain management, vendor, and project management within Fortune organizations. Excellent negotiation and relationship management skills with ability to inspire teams to outperform expectations. Proven record of delivering a synchronized end to end supply chain approach through strategic models closely mirroring business plan to dramatically optimize ROI and manage risk. Today I am targeting a step change in my career and have greater responsibilities to achieve greater goals as a leader and visionary.
